

Billy Joel, Time And Time Again (The Lost Souls)

(Originally recorded 1965.)

Well you love me, just flow it
Through these phantom eyes
They're starting it good
It's all I dream, we're the same
But then you refused
I thought you could

Time and time again
I cursed the day you left me

But now don't expect me
'Cause all I've left me sorrow
I shouldn't wash out all our tomorrows
Yeah yeah yeah

I thought you was superior
I thought now you see that I'm a perfume

Then I'm the only one who could ever love you
I know it's sure looks so pure, yeah yeah yeah

Wouldn't you plan some trying?
This love with an instant linger

I still can feel the touch, loving single
Of your hand, of my mind
Of your hand, of your mind, yeah
