

# Billy Joel, You Can Make Me Free

You can make me free  
You can make me smile  
You can make me be like a little child  
You can melt the ice that chills my body  
You can dry my ev'ry tear  
You can make the lonely hours disappear

You can make me free  
You can make me rise  
You can make me see  
So open up my eyes  
Don't you know my only real moments are the  
ones I spend with you?  
How I long to drink some wine again with you?  
I can take the skies  
I can soar like a bird  
With his heart full of song, yeah, yeah  
Won't you color my eyes?  
I've been writing so long

You can make me free  
You can make me cry  
You can make it so much better if you only try  
And if I must wait a lonely lifetime  
Until I am with you, my love  
I will wait when you'll be what I'm dreaming of  
I can take the skies  
I can soar like a bird  
With his heart full of song, yeah, yeah  
Won't you color my eyes?  
I've been writing so long

You can make me free  
You can make me cry  
You can make it so much better if you only try  
And if I must wait a lonely lifetime

Until I am with you, my love  
I will wait when you'll be what I'm dreaming of  
You can make me free  
You can make me cry  
I know you know that you can make it  
so much better If you would only try, yeah. yeah. yeah
