

# Billy Ray Cyrus, Ain't No Good Goodbye

(Billy Ray Cyrus/Barton Stevens/Kevin White)

Look at me, darlin'; look in my eyes

Well as you know me, you fill my mind

Words don't come easy from a man's broken heart

Think that I love you, it'd be enough to part

CHORUS:

Lonely, yes my world was so lonely

Till you walked into my life

& now there's a sigh & tears fill our eyes

'Cause there ain't no good goodbye

Baby, mmm my baby, there ain't no good goodbye

(humming)

(chorus)
