

Billy Ray Cyrus, Bluegrass State Of Mind

I'm dreaming tonight of a hollow
With a clear mountain stream
A cabin with a window on a hillside
Where I used to dream
The moonlight at midnight made heaven
Aem so close to home
And it gave me the only real peacefulness
I've ever known

And I'm in a bluegrass state of mind
And I miss that Kentucky girl that I left behind
Hearts like the ones in my homeplace are so hard to find
I'm in a bluegrass state of mind

She had the eyes of an angel
And the heart of a great thoroughbred
With visions of a good loving man
Dancing around in her head
And I was the one that she graced
With her beautiful love
Now I am the one left to wonder
Who she's dreaming of

And I'm in a bluegrass state of mind
And I miss that Kentucky girl that I left behind
Hearts like the ones in my homeplace are so hard to find
I'm in a bluegrass state of mind

I'm in a blue, blue, bluegrass state of mind
