

# Billy Ray Cyrus, Could've Been Me

I hear you just got married  
Took a month long honeymoon  
and you were all smiles at the wedding  
and you cried when you kissed the groom  
I got no invitation  
I guess the mail man didnt bring it to me  
but I see the whole thing in slow motion every night as i try to sleep  
my buddy john said you looked real pretty  
and you acted like you were in love  
He said the preacher asked for objections  
and he thought about standing up  
I told John he must have been crazy  
cuz you were just about to say I DO  
He Just gave me a wink and said all he could think  
is it could've been me with you

Chorus

It could've been me  
standing there with you  
it could've been me  
and my dreams coming true  
but those dreams move on if you wait too long  
It took me to now to see that it could've been me  
I dont guess I ever told you  
that I went out and bought you a ring  
I even carried it around in my pocket  
waiting to say the right thing  
I pulled it out the other day  
but the diamond had lost it's shine  
well I know how it feels cuz my eyes grow dim  
when I think you could've been mine  
Chorus untill end
