

Billy Ray Cyrus, In The Heart Of A Woman

(Keith Hinton/Brett Cartwright)

She is all I ever could've wanted her to be
She always knew just how to give the best of love to me
I thought I knew a thing or two about the ways of love
But it was soon to become so clear I didn't know enough
One day I found a note beside the ring she'd left behind
She said that here is all you need to know for better love next time
Say your love is strong and true
Let her know all she meant to you
Show her she's that special one
Who shines in your eyes like the rising sun
Give love less room to grow
Treat her tender and you will know
The secret to the treasures of heaven
In the heart of a woman
A bridge was burned and a lesson learned I never will forget
And for her timeless wisdom I'm forever in her debt
Last night I heard a good friend say he finally found the one
I told him to be sure these precious things weren't left undone
Say your love is strong and true
Let her know all she meant to you
Show her she's that special one
Who shines in your eyes like a rising sun
Give love less room to grow
Treat her tender and you will know
The secret to the treasures of heaven
In the heart of a woman
In the heart of a woman
Say your love is strong and true
Let her know all she meant to you
Show her she's that special one
Who shines in your eyes like the rising sun
Give love less room to grow
Treat her tender and you will know
The secret to the treasures of heaven
In the heart of a woman
Say your love is strong and true
Let her know all she meant to you
Show her she's that special one
Who shines in your eyes like the rising sun
Give love less room to grow
Treat her tender and you will know
The secret to the treasures of heaven
In the heart of a woman
In the heart of a woman
In the heart of a woman
In the heart of a woman
