

Billy Ray Cyrus, Right Face, Wrong Time

(Billy Ray Cyrus)

First time I held you I knew
The feelings that we shared were true
And now the nights take me away
They're getting longer every day
And I don't know what to do
Right face, the wrong time for love
You are all I can think of
Is this the way love has to be
You there instead of here with me
The right face but the wrong time for love
When we're together it feels so right
All the ways you love me day and night
In this world fools are supposed
To suffer through another broken heart
Is it worth this damned abuse
Right face, the wrong time for love
You are all I can think of
Is this the way love has to be
You there instead of here with me
The right face but the wrong time for love
Aren't you a dreamer just like me
Can't we make it what we want it to be
Oh years have just no use
The right face, the wrong time for love
You are all I can think of
Is this the way love has to be
You there instead of here with me
The right face but the wrong time for love
The right face but the wrong time for love
The right face but the wrong time for love
The right face, the wrong time
The right face, the wrong time
