

Billy Ray Cyrus, Stand

The story of a heart in need
Playing on my TV screen
Will sit back and watch it fade
There's gotta be a better way

Love is more than what you feel
Love is action, love is real
Break your silence, turn the key
And be the change you wanna see

So get ready
Come on everybody
Are you ready to

Stand
For what you believe in
Stand
For all that is right
Stand
It's stuck all around you
You can be that shining light

Stand
When trouble's coming calling
You're gonna be alright
Stand
Just reach deep inside you
And be that shining light
Stand

I feel the air shake, raise my voice
I have my soul, I have a choice
I feel it burning, I want more
So what am I waiting for

So get ready
Come on everybody
Are you ready to

Stand (stand)
For what you believe in
Stand (stand)
For all that is right
Stand (stand)
It's stuck all around you
You can be that shining light

Stand (stand)
When trouble's coming calling
(for what you believe in)
You're gonna be alright
Stand (stand)
Just reach deep inside you
And be that shining light
Stand

Ohh stand

Stand (stand)
For what you believe in
Stand (stand)
For all that is right
Stand (stand)
When stuck all around you

You can be that shining light (be that shining light)

Stand (stand)

When trouble's coming calling (for what you believe in)

You're gonna be alright

Stand (stand)

Just reach deep inside you

And be that shining light

(be that shining light)

Stand (stand)

For what you believe in

(for what you believe in)

For all that is right

Stand (stand)

When stuck all around you

(oh stand, oh stand, oh stand, oh stand, oh stand)

You can be that shining light

Stand (stand)

When trouble's coming calling

(for what you believe in)

You're gonna be alright

Stand (stand)

Just reach deep inside you

(Oh stand)

And be that shining light

Stand
