

# Billy Squier, Everybody Wants Yous

Life isn't easy from the singular side  
Down in the hole some emotions are hard to hide  
It's your decision - it's the chance that you take  
It's on your head - it's a habit that's hard to break

Do you need a friend - would you tell no lies  
Would you take me in - are you lonely in the dark...  
In the dark  
In the dark  
In the dark

You never listen to the voices inside  
They fill your ears as you run to a place to hide  
You're never sure if the illusion is real  
You pinch yourself but the mem'ries are all you feel

Can you break away from your alibies  
Can you make a play - will you meet me in the dark...  
In the dark  
In the dark  
In the dark  
In the dark  
In the dark, ah ah ah..

Don'tcha need me ... hey, hey  
Don'tcha need me ... oh yea  
Don'tcha need me ... hey, hey  
Don'tcha need me ... oh yea

You take no int'rest - no opinion's to dear  
You make the rounds and you try to be so sincere  
You guard your hopes and you pocket your dreams  
You'd trade it all to avoid an unpleasant scene

Can you face the fire when you see me there  
Can you feel the fire - will you love me in the dark...  
In the dark  
In the dark  
In the dark  
In the dark  
In the dark  
In the dark  
In the dark, ah ah ah ah
