

Billy Talent, Nothing to lose

Need more friends with wings
All the angels I know
Put concrete in my veins
Id always walk home alone
So I became lifeless
Just like my telephone
Theres nothing to lose
When no one knows your name
Theres nothing to gain
But the days dont seem to change
Never played truth or dare
Id have to check my mirror
To see if Im still here
My parents had no clue
That I ate all my lunches
Alone in the bathroom
Theres nothing to lose
When no one knows your name
Theres nothing to gain
But the days dont seem to change
Theres nothing to lose
My notebook will explain
Theres nothing to gain
And I cant fight the pain
Teachers said "it's just a phase";
When I grow up my children
Will probably do the same
Kids just love to tease
Who'd know it put me underground at age seventeen
At seventeen
Theres nothing to lose
When no one knows your name
Theres nothing to gain
But the days dont seem to change
Theres nothing to lose
My notebook will explain
Theres nothing to gain
And I cant fight the pain
Theres nothing to lose
When no one knows your name
Theres nothing to gain
But the days dont seem to change
Theres nothing to lose
My notebook will explain
Theres nothing to lose
When no one knows your name
Theres nothing to gain
And I just died today
