

# Billy Talent, Sudden Movements

Well I'm scared of my reflection  
Is it mine or is it yours?  
And I swear I hear the knockin'  
But there's no one at the door.  
Don't think I'm losing my perspective  
'Cause I know one thing for sure  
They've been watching, they've been listening  
Every whisper, every word  
Your sudden movements, sudden movements  
Gonna give a soul away  
No sudden movements, sudden movements  
Or they'll blow our soul away  
Dare I find my information  
Who's the black sheep of the herd?  
I have mean guardian of angels  
And they'll get what they deserve  
So lock your children in the basement

don't be afraid of my intentions  
'Cause I'm more afraid of yours  
Your sudden movements, sudden movements  
Gonna give a soul away  
No sudden movements, sudden movements  
Or they'll blow our soul away  
Your sudden movements, sudden movements  
Gonna give a soul away  
No sudden movements, sudden movements  
Or they'll blow our soul away  
Blow our soul away  
Blow our soul away  
Your sudden movements, sudden movements  
Gonna give a soul away  
No sudden movements, sudden movements  
Or they'll blow our soul away  
Your sudden movements, sudden movements  
Gonna give a soul away  
No sudden movements, sudden movements  
Or they'll blow our soul away
