

# Billy Thorpe, Children Of The Sun

Children of the Sun (Proffer/Thorpe) - 6:28

People of the Earth can you hear me?  
Came a voice from the sky on that magical night  
And in the colors of a thousand sunsets  
They traveled through the world on a silvery light

The people of the Earth stood waiting  
Watching as the ships came one by one  
Setting fire to the sky as they landed  
Carrying to the world Children Of The Sun

All at once came a sound from the inside  
Then a beam made of light hit the ground  
Everyone felt the sound of their heartbeat  
Every Man - Every Woman - Every Child

They passed the limits of imagination  
Through the doors - to a world - of another time  
On the journey of a million lifetimes  
With the Children Of The Sun - They started to climb

No more gravity, nothing holding them down  
Floating endlessly, as their ship leaves the ground  
Thru the walls of time - at the speed of light  
Fly the crystal ships on their celestial flight  
On their celestial flight.
