Bing Crosby, Ill Be Seeing You

I have given you my true love, But you love a new love. What am I supposed to do now With you now, you're through? You'll be on your merry way And there's only this to say: I'm through with love I'll never fall again. Said adieu to love Don't ever call again. For I must have you or no one And so I'm through with love. I've locked my heart I'll keep my feelings there. I have stocked my heart with icy, frigid air. And I mean to care for no one Because I'm through with love. Why did you lead me to think you could care? You didn't need me for you had your share of slaves around you to hound you and swear with deep emotion and devotion to you. Goodbye to spring and all it meant to me It can never bring the thing that used to be. For I must have you or no one And so I'm through with love. Why did you lead me to think you could care? You didn't need me for you had your share of slaves around you to hound you and swear with deep emotion and devotion to you. Goodbye to spring and all it meant to me It can never bring the thing that used to be. For I must have you or no one And so I'm through with love.
