In fact I react with a full blown attack  
Beatin' up your dad over a cigarette pack  
A Thug in the country bitch, don't ask questions  
Spittin' all the wrong lessons in these rap sessions  
'cause yeah ima dawg, thoroughbred rot wilier  
Your woman wants to f\*\*k me that makes her the pedophiler  
I got more gang ties than tha mutha f\*\*kin' Godfather  
You wanna start shit bitch? Don't even bother  
Just stay home it makes it a lot more easier  
'cause my glock is my baby gurl, I love squeezin'er

Takin' you greasy mutha f\*\*kaz out like cascade

Gangsta, Gangsta, Tell'em that it's on  
We da Killaz On The Run so grab a mutha f\*\*kin gun (Repeated)  
Now I'm straight thuggin', straight mean muggin'  
You best tell ya mutha f\*\*kin' homeboy to stop buggin'  
'cause I'll pistol whip his mutha f\*\*kin' bitch face chin  
Stomp in his guts a little, then I do it again  
'cause f\*\*k you, hit you wit a one two  
Ya ass is on the news 'cause tha cops dunno where I stuck you  
Nigga you done did it, who you think you kiddin?  
Don'tcha worry about ya family Saint Sinna'z babysittin'

Lyrics to ya brain, I'm rammin' it, and cramming it  
And slammin' it, God dammin' it  
Legally psycho for failing anger management  
That's why, before any mutha f\*\*kaz every heard of ya
