

# Biplan, Labas Rytas

as as negaliu surast taves nes tu  
slepiesi naktyje bet kartais randu  
tavo ir rasoje ir lietuje geriu  
ir tavo skonis man aitrus

labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot  
labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot

as as negaliu suprast taves nes tu  
nes tu slepiesi tarp geliu salia  
salia ausros tarp geiduliu  
tirpsti jau nuo pirmuju spinduliu

labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot  
labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot

as as negaliu suprast taves kodel  
kodel tu stengiesi paslept ziedus toli  
toli palikdama mintis jog tu  
pasaulis mano paslaptis

labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot  
labas rytas stai ir as  
as vel bandysiu but kaip vakar  
vel bandysiu tau dainuot
