But I'm running with the Birdman - so I'm straight nigga

(Baby)  
I'm on the block with the rocks and the 44  
Its hot and we still burn a pound of dro'  
Million stashed in the trunk or compartment doors  
A hundred birds stashed in a Bentley four door

(Stone)  
I'm sticking to Tha G-Code - Tees and Bauts  
Break it up (?) covered in rocks  
Got a bitch on every exit that's holding my blocks  
And I drive a (?) but keep my Lexus by my older shops  
Streets watching - I know that's why I'm on my shit  
When them people riding with four doors - up my click  
Showing them off to rookie cops to watch out for me  
And I know this from crooked cops that get blocks from me

(Chorus (Fades to Baby talking))
