

Birdman & Lil Wayne, Best Rapper Alive

(Verse 1)

Bring the crowd and I'm loud In Living Colour
It is Weezy fuckin' baby got these rappers in my stomach
Yumi, I'm takin' it I ain't asking them for nothing
If you sell a million records we can battle for ya' money
I rather count a hundred thousand dollars on a sunday
Watch a football game and bet it all on one play
Still stuntin' baby yes I'm still flossin
Latest car on the market wit the top peeled off it
Big wheels make it look a lil bulky
You look a lil salty have ya' self a chill coffee
Chill out the girls is still out
Even though I am a boss and got papers to fill out
I'm busy I got paper to reel in
God I hope they snappin' at the end of my rod
And I hope I'm fishing in the right pond
And I hope you catchin' on to every line
Who am I?

(Hook)

The Best Rapper Alive (4x)
