In 5, 4, 3, 2, 1

(Chorus)

Phone home (Weezy)

Phone home (Weezy)

Phone home (Weezy)

Phone home (Weezy)

And if ya feel like you're the best

Go ahead and do the Weezy-we and

Phone home (Weezy)

Phone home (Weezy)

(Verse 1)

We are not the same

I am a Martian

And I'm hotter than summer rain like Carl Thomas

Lock, load ready to aim at any target

I could get your brains for a bargain

Like I bought it from Target

Hip-hop is my supermarket

Shopping cart full of fake hip-hop artists

I'm starving, Sorry

I gotta eat all it

And I be back in the morning

(Chorus)

(Verse 2)

We are not the same

I am a alien

Like Gonzalez

Young college student

Whod'nt just flip the game like Houston

I'm used to Promethazine

In two cups I'm screwed up

And ya ain't \$**t

If ya ain't never been screwed up

Flow so sick

Make ya wanna throw ya food up

Ice water chest

And my wrist like a crew cup

Two twig clippers

I get bread like cold cuts

Ya know what?

Ya girl go down fast

Come up slow

But I never slow up

Weezy

(Chorus)

(Verse 3)

They don't make them like me no more

Matter fact they never made it like me before

I'm rare like Mr. Clean with hair

No break lights on my car rear

I never had life
And I never had fear
I rap like I done died and gone to heaven
I swear
And yeah I'm a bear
Like black and white hair
So I'm polar
And they can't get on my system
cause my system is tha solar
I am so far from the othars
I'm in Others
I'd a eat them for supper
Get in my space ship and hover

(Chorus)
