

Birdman & Lil Wayne, We Come See About It

Came in the game as a youngin, signed wit cash money,
Pocket full of money, niggas poppin shit alwyas talkin bout sumthin,
See ya ass in public it's a whole notha subject,
Man they just talkin bout it, they just talkin bout it,
And i'm on the streets with it, i'm on the streets with it,
See from where i come from you gotta be about it,
And if u want it want it we come and see about it

(verse 1:)

Uhh it's weezy baby like the last shit
A big car and a bad bitch, uhhhh soo fly i need an ass kick
These niggas ballin by accident uhh, keep talkin nigga fuck up ya body
Send ya home and tell ya mom it was an acciden,
Uhh i'm a g till the casket drop on my glasses, fast money i'm the fastest,
I got that hustlers pasion ya knoww, dem boys back at the ass end
I'm at the bank tryna cash in aye

(chorus:)

Came in the game as a youngin signed wit cash money pocket full of money
Niggas poppin shit alwyas talkin bout sumthin
See ya ass in public it's a whole notha subject
Man they just talkin bout it, they just talkin bout it
And i'm on the streets with it, i'm on the streets with it,
See from where i come from you gotta be about it,
And if u want it want it we come and see about it

(verse 2:)

It's been murda bitch i make a killin,
Insurance papers in the safe money in tha ceiling,
I got pillow case full of pistols
Come throught a nigga house and aim at the pillows,
Uhh wake up wake up fuckin with them boys u can wake up taped up,
Ya dig now gon' an drink that lake up
Stick em in the trunk let em feel that bass pump
Deez niggas is nuts man that m14 leave you physically fucked
Deez niggas is ducks well you can call me scrooge because i'm swimmin in bucks
Bitch

(chorus:)

Came in the game as a youngin signed wit cash money pocket full of money
Niggas poppin shit alwyas talkin bout sumthin,
See ya ass in public and it's a whole notha subject
Man they just talkin bout it they just talkin bout it,
And i'm on the streets with it i'm on the streets with it
See from where i come from you gotta be about it,
And if u want it want it we come and see about it okay

(verse 3:)

Yea yea to hot to cold, red hot blue cold, yea i knock ya melon out ya fruiit bowl
All my guns black i got true soul yeah and i call my coupe the black panther
Blat... blat... blat thats the gat anthem, and if a nigga play with family for that matter
Imma smoke so many niggas imma catch cancer, and if i step up out this benzo
U know i'm commin with a gun like a nintendo
They soft them niggas fallin when the wind blow and i'm rollin up my window
Fuck em

(chorus:)

Came in the game as a youngin signed wit cash money pocket full of money
Niggas poppin shit alwyas talkin bout sumthin
See ya ass in public and it's a whole notha subject
Man they just talkin bout it, they just talkin bout it,
And i'm on the streets with it, i'm on the streets with it
See from where i come from you gotta be about it
And if u want it want it we come and see about it
