

# Birdy, I Wish I Was A Shooting Star

Is anybody home upstairs?  
It's been a shitty night  
If I'm honest, I'm a little scared  
And a bit too high

Oh, I'm in a  
Dark haze, but you will never know  
What it's like in the shadows  
You say I'm bound for miserable

So, tell me how I'm meant to feel  
I'm dying to get out of here  
Ah-ah-ah, ah  
Ah-ah-ah  
I wish I was a shooting star  
Burn out as the world admires  
Ah-ah-ah, ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah  
Ah-ah-ah

Will anybody ever care  
As much as they don't?  
The universe seems unfair  
Maybe mine is broke

Oh, I'm in a  
Dark haze, but you will never know  
What it's like in the shadows  
You say I'm bound for miserable

So, tell me how I'm meant to feel  
I'm dying to get out of here  
Ah-ah-ah, ah  
Ah-ah-ah  
I wish I was a shooting star  
Burn out as the world admires  
Ah-ah-ah, ah  
Ah-ah-ah, ah-ah-ah  
Ah-ah-ah, ah  
Ah-ah-ah

Oh, oh, oh-oh  
Oh, oh, oh-oh  
Oh, oh, oh-oh  
Oh  
Oh, oh, oh-oh (Take me from the night)  
Oh, oh, oh-oh (What I'd give to feel the light)  
Oh, oh, oh-oh (One taste of what it's like)  
Oh (To burn out and never die)  
Oh  
Oh, oh, oh-oh (Take me from the night)  
Oh, oh, oh-oh (What I'd give to feel the light)  
Oh, oh, oh-oh (One taste of what it's like)  
Oh (To burn out and never die)

Is anybody home upstairs?  
It's been a shitty night
