

BIRDY + RHODES, Let It All Go

I've been sleeping tonight
'Cause I don't know how I feel
I've been waiting on you
Just to say something real

There's a light on the road
And I think you know
Morning has come
And I have to go

I don't know why, I don't know why
We need to break so hard
I don't know why we break so hard

But if we're strong enough
To let it in
We're strong enough
To let it go

If I look back to the start now
I know, I see everything true
There's still a fire in me heart, my darling
But I'm not burning for you

We started it wrong
And I think you know
We waited too long
Now I have to go

I don't know why, I don't know why
We need to break so hard
I don't know why we break so hard
But if we're strong enough
To let it in
We're strong enough
To let it go

Let it all go, let it all go
Let it all out now
Let it all go, let it all go
Let it all out now

Who says, who says?
Who says, who says?
Who says truth is beauty after all?
And who says love should break us when we fall?

But if we're strong enough
To let it in
We're strong enough
To let it go

Let it all go, let it all go
Let it all out now
Let it all go, let it all go
Let it all out now

We're strong enough
To let it go
