BIRDY + RHODES, Let It All Go

I've been sleeping tonight
'Cause I don't know how I feel
I've been waiting on you
Just to say something real

There's a light on the road And I think you know Morning has come And I have to go

I don't know why, I don't know why We need to break so hard I don't know why we break so hard

But if we're strong enough To let it in We're strong enough To let it go

If I look back to the start now I know, I see everything true There's still a fire in me heart, my darling But I'm not burning for you

We started it wrong And I think you know We waited to long Now I have to go

I don't know why, I don't know why We need to break so hard I don't know why we break so hard But if we're strong enough To let it in We're strong enough To let it go

Let it all go, let it all go Let it all out now Let it all go, let it all go Let it all out now

Who says, who says? Who says, who says? Who says truth is beauty after all? And who says love should break us when we fall?

But if we're strong enough To let it in We're strong enough To let it go

Let it all go, let it all go Let it all out now Let it all go, let it all go Let it all out now

We're strong enough To let it go
