

Bitch Alert, Sandy

Sandy is a sad girl
Freaked out, unhappy
Sandy is too broken
Why did she ever fake

Sandy likes her best friend
Kisses her when she's drunk
Sandy knows it better
Why did she ever fake

Sandy is so broken
Fake smile on her face
Sandy is much better

Babyhair so messed up
Dizzy dreams and lipstick
Dressed up for dying
So did she ever fake

She's unhappy girl

Sandy is so broken
Blood stains on her skirt
Sandy is much better

So naive
Did she ever get so far to make me sorry
