

Bitch Alert, Where's My Happiness?

Jesus would like to ride my bike
Jesus would like to ride my bike
Nobody loves my kind
But Jesus would like to steal my bike

Chorus:
Where's my happiness?

Jesus would like to ride my bike
Jesus would like to ride my bike
Nobody loves my kind
But Jesus would like to steal my bike

Chorus:
Where's my happiness?

I sold my soul to Jesus only for five dollars
I sold my soul to Jesus only for five dollars

But ..

Chorus:
..Where's my happiness?
