

Bjork, Mutual Core

I shuffle around the tectonic plates in my chest
You know i gave it all
Trying to match our continents
To change seasonal shift
To form a mutual core
As fast as your fingernail grows
The Atlantic ridge drifts
To counteract distance
You know i gave it all
Can you hear the effort of the magnetic strife?
Shuffling of columns
To form a mutual core
This eruption undoes stagnation
You didn't know i had it in me
Withheld your love, an unspent capsule
I didn't know you had it in you
You hid the key to our continuity
I didn't know you had it in you
This eruption undoes stagnation
You didn't know, you didn't know
What you resist persists, nuance makes heat
To counteract distance
I know you gave it all
Offered me harmony if things were done your way
My Eurasian plate subsumed
Forming a mutual core
This eruption undoes stagnation
You didn't know i had it in me
Withheld our love, an unspent capsule
I didn't know you had it in you
This eruption undoes stagnation
You didn't know i had it in me
This eruption undoes stagnation
You didn't know, you didn't know
