

Bjork, Possibly Maybe (Lucy Mix)

Possibly maybe probably love
Possibly maybe probably love

Since we broke up
I'm using lipstick again
I'll suck my tongue
In remembrance of you

Possibly maybe probably love
Possibly maybe probably love

Mon petit vulcan
You're eruptions and disasters
I keep calm
Admiring the lava
I keep calm

Possibly maybe probably love
Possibly maybe probably love

Electric shocks?
I love them
With you dozen a day
But after a while I wonder
Where's that love you promised me?
Where is he ?

Possibly maybe probably love
Possibly, poss-

How can you offer
Where's that love you
Where's that love you promised me?
Where is he ?

Possibly maybe

How can you offer me love like that?
My heart's burned
How can you offer me love like that?
I'm exhausted
Leave me alone

Possibly maybe, Possibly maybe, Possibly maybe.
