

Bjork, Where Is The Line

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?
My purse wide open
You ask again
I see you trying to
Cash into accounts
Everywhere
Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?
I want to be flexible
I want
To go out
Of my way for you
But enough is enough
Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?
I am elastic
I want to go out of my way for you
I want to help you
Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?
I want to have capacity for you
And be elastic, elastic, to be elastic for you
Where is the line with you ?
I'm elastic for you
But enough is enough
Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?
