Bjork, You Don't Know What Love Is

You don't know what love is Until you learned the meaning of the blues Until you loved the love you've had to lose You don't know what love is

You don't know how lips hurt Until you've kissed and had to pay the cost Until you've flipped your heart and you have lost You dont know what love is

Do you know how a lost heart fears The thought of suffering And how lips that taste of tears Lose their taste for kissing

You dont know how hearts burn For love that cannot live yet never dies Until you reached each dawn with sleepless nights You don't know what love is

Do you know how a lost heart fears The thought of suffering And how lips that taste of tears Lose their taste for kissing

You don't know what love is Until you learned the meaning of the blues Until you loved the love you had to lose You don't know what love is
