

# Black Bomb A, Judge

Justice's sometimes so wrong, so bad, take it is pussy  
Justice's sometimes so wrong, so fucking scheibe  
Justice's sometimes so wrong, so bad, take it is pussy  
Justice's sometimes so wrong, so bad, fick dich !

Why me you judge you judge and break my life

You break my life  
I was just blind  
I grew up so wild  
Did not want this crime  
Walking in this park  
Fighting in the park  
Couldn't stop myself  
Did not want his death

I am in jail I'm alone  
Every night I sleep with my regrets  
I'm alone  
Can't escape  
Crying inside

Minutes like days  
I don't sleep at night  
But my wings are lies  
I just cannot fly  
Walking in this park  
Never meets this man  
Live a normal life  
A wife and a child  
I was a child  
I was not bad  
Do you hear  
I swear  
He kicked me  
I trashed him  
You know  
I swear

I'm alone  
Live with this death  
I am alone  
Life in a grave  
Crying inside

I pay the price  
Just like a crow  
You know  
I'm trapped  
I dream it  
I want it  
You laugh  
I'm lost

Because I cannot escape, why !!!

I can't stand this place of shit  
Bloody fists are smashing all around  
This place is bad for me I think I'm going mad  
I pay a price too strong for my young life  
Should be good for justice that you realize  
Too much time in jail no good for the guys  
Criminals are sometimes created by the laws

Can't be good in a cage where I have to grow  
Grow Grow Grow Grow

One more proof that some of the problems  
Are created by the ones who judge men  
One more proof that some of the problems  
Come from the motherfucking judgement  
Judge Judge You're like bastards  
Judge Judge You're like bastards  
Judge Judge Judge Judge

I'm in jail  
I'm alone  
Every night I sleep with my regrets  
I'm alone  
Can't escape  
Crying inside  
I sleep with my regrets  
I'm alone  
Sleep with my regrets  
And every night  
I sleep with my regrets  
I'm alone  
Can't escape  
Crying inside  
I'm in jail  
I'm alone  
Live with this death  
And I dig my grave  
I'm dead  
My soul cries  
Live with his death  
And I dig my grave  
I'm dead  
My soul cries  
Live with this death  
And I dig my grave  
I'm dead  
My soul cries

Because I cannot escape why  
Why must I pay so much for this crime ???
