Indulge in animal instincts so we...
We could have conversation or...
Sexual relation or...
We could explore find out more
About things that we done before
Whether it be kinky thoughts

Dame un momento que lo vuelvo como peso
Take you to Philippines then you don't have to spend a peso

We got connection like a novel to Aurida
I can relate cause latin girls look Phillipina
Check your history there's no mystery between us
Destiny made it possible to be us
I know about your culture cause it's mixed with mine
We go together well just like
Beats and rhymes and
Tequilas and limes and
Celeste with pine and
I'll say one more time
I like them'

[Chorus]

Yeah'....

Yo quiero'....
Yo quiero'....
