

# Black Hearted Brother, UFO

Rosemary, mother Fray says  
That she loves today  
?

When I dance ?  
Believe that you come form nowhere  
?

Can you here me now?  
Are you miss something?  
?  
Do those people?

Come on my eyes  
The ? skys  
Left clock over...  
The shipping down

What did they do?  
What did they do?  
What did they do?
