

Black Kids, I'm Not Gonna Teach Your Boyfriend

You are the girl
That I've been dreaming of
Ever since I was a little girl

You are the girl
That I've been dreaming of
Ever since I was a little girl

"One!"
I'm biting my tongue!
"Two!"
He's kissin' on you!
"Three!"
Oh, why can't you see?
"One two three four!"

"The word's on the streets and it's on the news
I'm not gonna teach him how to dance with you
He's got two left feet and he bites my moves
I'm not gonna teach him how to "dance! dance! dance! dance!"

The second I do, I know we're gonna be through
I'm not gonna teach him how to dance with you
He don't suspect a thing. I wish he'd get a clue
I'm not gonna teach him how to "dance! dance! dance! dance!"

Is he better than me?
