

# Black Lab, Gone (Demo)

i don't think with my head  
but there's a couple things  
to say that should be said  
number one, loving you was fun  
i'm sorry if i hurt you  
number two goes like this  
if you listen close  
you can feel my kiss

cause i'm gone  
i'm gone  
you know it  
you know by now  
that i'm gone  
i'm gone  
you know by now  
you know by now  
that i'm gone

i don't give  
i don't take  
i don't talk to you  
i don't tell you  
what i feel  
as if i feel  
do you understand  
i'm hollow  
and i'm gone
