

# Black Label Society, In This River

I've been around this world  
Yet I see no end  
All shall fade to black  
Again and again  
This storm that's broken me  
My only friend

In this river  
All shall fade to black  
In this river  
Ain't no coming back  
In this river  
All shall fade to black  
Ain't no coming back

Withdrawn a step away  
Just to find myself  
The door is closed again  
The only one left  
This storm that's broken me  
My only friend

In this river  
All shall fade to black  
In this river  
Ain't no coming back  
In this river  
All shall fade to black  
Ain't no coming back

In this river  
All shall fade to black  
In this river  
Ain't no coming back  
In this river  
All shall fade to black  
Ain't no coming back

-Solo-

In this river  
All shall fade to black  
In this river  
Ain't no coming back  
In this river  
All shall fade to black  
Ain't no coming back

In this river  
All shall fade to black  
In this river  
Ain't no coming back  
In this river  
All shall fade to black  
Ain't no coming back
