

# Black Label Society, Lords Of Destruction

Walk in my world of war and mass confusion  
Peace is a word that noone cares of knowing  
Death is the drug of choice amongst the masses  
Engines of hell, forever burning faster

Ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhh....

The shotgun of life, the spread of all the ashes  
The wheels of the tanks, the souls in which it smashes  
Oceans of blood the shores of all the falling  
The hole in the ground forever always calling

Ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhh....

Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction  
Lords Of Destruction

Ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhh....
