

Black Label Society, Refuse To Bow Down

"Women are born with a very dark side
That men do not understand
And they don't understand
And Women need to be loved
The way Adam shoulda loved Eve
Women have a certain weakness
And a certain unholyiness too."
What have you done? Where have you been?
Lord of the hand-outs?
Pushed once again, Always wants again
Always wants again, Always wants
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Ain't no time to rest, Got my pedal to the floor,
Aint no end in sight, Rebel wanting more
Rebel wanting more, Rebel wanting more
Rebel wanting, Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
Refuse to bow down, Refuse to bleed
Eternal illusion, Ain't no one can see
