

Black Light Burns, Lie

I'm living a lie
And it's not the best thing for me
But anyone and everyone,
Is gonna hear another story

I'm building a house
Of murderous intention
To keep it all from coming down,
I gotta focus my attention

'Cause confidence is key
When violating trust
I'm making sure that I believe
I'm doing what I must

Which is attempting to kill
The little boy inside
But as hard as I try,
The child will not die

x2:
Now I'm burning alive,
Just like you

I'm irrelevant
And I'm living down in the shit
I follow these pigs around,
But I never get used to it

'Cause they keep building, and building
Their feculent franchise
I wish I could see this filth,
Through someone else's eyes

'Cause ignorance was bliss
But now I must adjust
These animals they operate,
On jealousy and lust

I'm taking back what was lost
And I will not be denied
I'm crawling my way,
To the surface outside

x2:
Now I'm burning alive,
Just like you

Just like you
Just like you
Just like you

x2:
Now I'm burning alive,
Just like you

x2:
Now I'm burning alive,
Just like you (just like you)

Just like you
Just like you
Just like you
Just like you

Just like you
