

Black Light Burns, New Hunger

Holding on your lazy arms
Get up, out of bed
There's vanity,
In the holes from which we bled

Your armies have come and gone
Silence on the battleground
This insurgence,
Was just enough to see them drown

x4:
You wanna swim with us,
You gotta get to the water

You wanna swim

Take me to your mountain
Tear down the waterfall
It's coming near,
Listen, you can hear it call

So put a coin inside your mouth,
And wait out to your knees
You crumble down,
And give yourself to the sea

x4:
You wanna swim with us,
You gotta get to the water

You wanna swim

x4:
You wanna swim with us,
You gotta get to the water

You wanna swim

You wanna swim

x6:
You wanna swim with us,
You gotta get to the water
