

Black Lips, I Saw A Ghost

Well if you got that Lean
Come on and and give me a sip
If the police only knew
That blue lights induced a trip
Well if you give your middle finger to the Bloods and Crips
Well you duckin from the blue lights
Boy you better dip
Come on trip, come on trip, come on trip
Come on dip, come on dip, come on dip,
Well if you really lookin
For what you want the most
Check out what you drinkin
Fore you announce a prost
If you tryin messin
To the holy ghost
Watch the rainbow blur
It's looking kind of gross
The most, the most, the most
A ghost, a ghost, and ghost
The most, the most, the most
The most, the most, the most
