

# Black Lips, I Saw A Ghost

Well if you got that Lean  
Come on and and give me a sip  
If the police only knew  
That blue lights induced a trip  
Well if you give your middle finger to the Bloods and Crips  
Well you duckin from the blue lights  
Boy you better dip  
Come on trip, come on trip, come on trip  
Come on dip, come on dip, come on dip,  
Well if you really lookin  
For what you want the most  
Check out what you drinkin  
Fore you announce a prost  
If you tryin messin  
To the holy ghost  
Watch the rainbow blur  
It's looking kind of gross  
The most, the most, the most  
A ghost, a ghost, and ghost  
The most, the most, the most  
The most, the most, the most
