

Black Lips, Stranger

Hey pretty baby, why am I feeling so despised (despised)
I lay down to rest but my eyes are open wide (wide)
Jealousy's so strong, gunna take me to my grave
Gunna keep on holding off and going to turn you into a slave (slave)
And now you gotta stop
Looking for a stranger (stranger)
Looking for me
Looking for a stranger (stranger)
Looking for me (me me me me me)
Looking for a stranger (stranger)
Looking for me
Looking for a stranger (stranger)
Looking for
Your nose is like a tower, like the one in Lebanon (Lebanon)
Your breath smells like some flowers
65 queens and lady concubine (concubine)
Gotta keep you hanging around cause you gotta help drink my wine (wine)
And now you gotta stop
Looking for a stranger (stranger)
Looking for me
Looking for a stranger (stranger)
Looking for me (me me me me me)
Looking for a stranger (stranger)
Looking for me
Looking for a stranger (stranger)
Looking for me!
