

Black Moon, How Many Mc's...

Im takin ya back come follow me
on a journey to see a for real MC
the mind tricks the body
body thinks the mind is crazy
but when I get the slazy
keep my flow Im swayze
I break..you take
whatever type of shit the nigga Buckshot makes
the incredible lyrical and original
You can kill a bull if you wanna take it cool
Whatever I see I attack(tack)
Fuck up the back black/nigga fuck that
The devil lurks in my heart yearns for it well
Look into the eyes of a nigga who fell
I hit my head on the concrete to beat defeat
(GUNSHOT)Another dead nigga in the street
Bullseye direct hit dont miss..
but How Many MC's Must Get Dissed

Chorus

I can break it down like whatever you want
your runnin like this
?????but I gets bizzd when Im pissed
Mister Buckshot rock it not quick
Bitch get off my dick
I open up and boot em then I shoot em up
Whatever
Im clev-ever cuz I wear my leather in the winter
I enta da stage, nigga cock ya gauge
I bust em off somein awful
and then I leave the stage
Im just a crazy maniac murder a murder type thinkin
ya shittin, ya ass thinkin I caught ya blinkin

But he was talkin shit to my man

Yep..you can get the fist

But How Many MC's Must Get Dissed

Chorus

I gotta nigga on scope throught the eye of an Eagle
but I had the nigga puffin steel

Pain as a niggas brain Im goin insane

Pick up the route and be jetty wit the loot
