

Black Rebel Motorcycle Club, 666 Conducer

No one knows her name but they see her youth and use her
She's feeling free and everything she sees is truth
She's seventeen she's got everything she needs to lose
Yeah yeah yeah oh no

She's got everyone to help her on her way
She's got everyone to help her on her way
She's got everyone to help her on her way, down

He seems to know right where it hurts your pain, in vain
He gives himself to you he's in your way
And everything he does just seems a phase, insane
Yeah yeah yeah oh no

He's got everyone to help him on his way
He's got everyone to help him on his way

He's got everyone to help him on his way, down

Everything you touch tears at your heart, apart
Of everything you see down in your soul never let you go

You've got everyone to help you on your way
You've got everyone to help you on your way
You've got everyone to help you on your way, down

You're a 666 conducer
How do you do the things you do sir
You're a 666 conducer
How do you do the things you do sir
You're a 666 conducer
How do you do
How do you do
