

Black Rebel Motorcycle Club, Done All Wrong

Done me wrong, done all wrong
All the wrong I've done I'm sure I'll live quite long
Done all wrong, done me wrong
All the wrong I've done I'm sure I'll live quite, quite long
All the wrong I've done will be undone in song
All the wrong I've done will be undone in song
If you're doing wrong, if you've done all wrong
You can rest assure you're gonna live quite long
If you've done all wrong, you're doing wrong
You can rest assured you're gonna live quite, quite long
All the wrong you've done will be undone in song
All the wrong you've done will be undone in song
If we're doing wrong, we've all done wrong
If we do no wrong I'm sure we would be gone
