

# Black Sabbath, Embryo/Children Of The Grave

Revolution in their minds  
The children start to march  
Against the world in which they have to live  
And the hate that's in their hearts  
They're tired of being pushed around and told just what to do  
They'll fight the world until they've won and love comes flowing through

Children of tomorrow live in the tears that fall today  
Will the sun rise up tomorrow bringing peace in any way?  
Must they live in the shadow of atomic fear?  
Can they win the fight for peace or will they disappear? Yeah!

So you children of the world listen to what I say  
If you want a better place to live in spread the word today  
Show the world that love is still alive you must be brave  
Or you children of today are children of the grave yeah!
