

# Black Sabbath, Evil Woman (Don't Play Your Games With Me)

I see the look of evil in your eyes  
You've been filling me all full of lies  
Sorrow will not change your shameful deeds  
Do well best, someone else has better seen  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with me  
Now I know just what you're looking for  
You want me to claim that child you bore  
Well you know that it was he not me  
And you know the way it's got to be  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with me  
Wickedness lies in your moistened lips  
Your body moves just like the crack of a whip  
Blackness sleeps on top of your stray bed  
Do you wish that you could see me dead  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with me  
Evil woman, don't you play your games with me
