

# Black Sabbath, Machine Head - Hole In The Sky

I'm looking through a hole in the sky  
I'm seeing nowhere through the eyes of a lie  
I'm getting closer to the end of the line  
I'm living easy where the sun doesn't shine  
I'm living in a room without any view  
I'm living free because the rent's never due  
The synonyms of all the things that I've said  
Are just the riddles that are built in my head  
Hole in the sky, take me to heaven  
Window in time, through it I fly  
I've seen the stars disappear in the sun  
The shooting's easy if you've got the right gun  
And even though I'm sitting waiting for Mars  
I don't believe there's any future in cause  
Hole in the sky, take me to heaven  
Window in time, through it I fly  
Yeah  
I've watched the dogs of war enjoying their feast  
I've seen the western world go down in the east  
The food of love became the greed of our time  
But now I'm living on the profits of pride
