

# Black Sabbath, Never Say Die

People going nowhere, taken for a ride  
Looking for the answers that they know inside  
Searching for a reason, looking for a rhyme  
Snow White's mirror said "partners in crime!"

Don't they ever have to worry?  
Don't you ever wonder why?  
It's a part of me that tells you  
Oh, don't you ever, don't ever say die  
Never, never, never say die again

Sunday's satisfaction, Monday's home and dry  
Truth is on the doorstep, welcome in the lie  
All dressed up in sorrow, got no place to go  
Hold back, 'till it's ready, taking it slow

Don't they ever have to worry?  
Don't you ever wonder why?  
It's a part of me that tells you  
Oh, don't you ever, don't ever say die  
Never, never, never say die again

Don't you ever say die  
Don't you ever say die  
Never say die

Panic, silver lining, writing's on the wall  
Children get together, you can save us all  
Future's on the corner, throwing us a die  
Slow down, turn around, everything's fine

There's no need to have a reason  
There's no need to wonder why  
It's a part of me that tells you  
Oh, don't you ever, don't ever say die  
Never, never, never say die again
