

Black Sabbath, Rock 'N' Roll Doctor

Well I'm sick and tired of hearing 'bout the world and it's hang ups
Gonna get myself together, take a ride downtown
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see him, see him today
He's gonna blow me away
He makes me happy when I'm feeling down
Take away my worry takes away my frown
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see him, see him today
He gonna blow me away
If you wanna feel groovy, give the doctor a call, yeah
Doctor rock will help you anytime at all
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see my Rock'n'Roll doctor
Gotta see him, see him today
He gonna blow me away
Oh, right away...
