

Black Sabbath, Sabra Cadabra

Feel so good I feel so fine
Love that little lady always on my mind
She gives me lovin' every night and day
Never gonna leave her
Never going away
Someone to love me
You know she makes me feel alright
Someone who needs me
Love me every single night
Feel so happy since I met that girl
When we're making love
It's something out of this world
Feels so good to know that she's all mine
Going to love that woman till the end of time
Someone to live for
Love me till the end of time
Makes me feel happy
Good to know that she's all mine
Lovely lady make love all night long
Lovely lady never do me wrong
I don't wanna leave ya
I never wanna leave ya
Anymore no more
Lovely lady
Mystifying eyes
Lovely lady
She don't tell me no lies
I know I'll never leave you
I'm never gonna leave you
Anymore, I said no more
